

2010 Soccer - Central Linn Recreation Assoc.

Up to date info on webpage <http://www.ci.brownsville.or.us/rec.html>

Season:

Grade K-2: Second Week of Sept. – 3rd – 4th week in Oct. – 5 – 6 weeks.

Grade 3-6: Second week of Aug. – End of Oct.

Grades K-2:

Will be having a soccer clinic two times a week down at the Pioneer Park. for one hour. At the last part of the clinic they will play against each other. They will not be playing any other towns or having official games other then in their clinic.

Grades 3-6:

Will be playing coed teams, from the Junction City League. This will involve playing games in Brownsville, JC, Harrisburg, and Monroe. We do not get the schedule until after Labor day some time. We will have one team of 3-4th and one team of 5-6th. There is a total of 12 max on each team, so sign up today. First come, first serve. These teams may start practice the second week in Aug. and have practice twice a week.

You can pick up your application July 1st at J&S Supply. Cost is \$40 for older grades and \$25 for the younger clinic. Scholarships are available.

We are in need of parents that would like to help with the Soccer Program. Our program is run by volunteers and mostly by parents. This has helped keep the cost down. Below I have lined out what we need help in. Contact me today if interested.

Soccer Clinic manager: Oversee and direct the soccer clinic.

Soccer Clinic coaches: Coach the kids

3-4th Soccer Coach: Main coach

5-6th Soccer Coach: Main coach

Note: All coaches and manager will need to fill out a background check, per Rec Center policy.

Thanks,
Andrew Wenger 466-5726
Soccer Coordinator
