This is our second year offering basketball camp for the students of the Central Linn area. We are looking to build on the successes of our very first camp last summer. We are excited for this opportunity to emphasize basketball fundamentals and skill development for individuals, while also having fun as a team! CLRA basketball camp will emphasize:

Fundamental development – each day campers will work on general basketball skills and position specific fundamentals.

Game experience – each camper will get a variety of game experience, including: 5 on 5 games, situational games, and 3 on 3 games.

Teamwork and sportsmanship – developing well balanced and responsible youth in our communities is part of the CLRA mission statement. This camp will emphasize the importance of being a good teammate and learner, and how that relates to becoming a well-rounded basketball player (and person).

This camp is operated through the Central Linn Recreation Association (CLRA) and will be located at Central Linn High School. The camp will be operated and staffed by individuals who have a wide variety of camp and coaching experience. The camp is directed by Katie Cheney and Katy Kallai, CLRA Basketball program Co-directors. CLHS basketball coaching staff support the CLRA basketball camp and will be present periodically to speak and lead drills. CLHS varsity team members, alumni, and community members will be available as well to keep the player to coach ratio low.

*If you have questions please contact:
