5. Where does your yard debris go?

# Safety

- ▶ New automated truck purchased in January of 2021. Comes with additional safety technology.
  - ▶ Upgraded DriveCam system for driver training.
  - ▶ No incidents in Brownsville last year
- 

# Sweet Home Sanitation Social Media

The image shows a Facebook post from Sweet Home Sanitation. At the top, a blue banner reads "Introducing WasteConnect" with the text "Download it today & stay connected." Below this are buttons for "Download on the App Store" and "GET IT ON Google Play". To the right, a hand holds a smartphone displaying the app's interface, which includes a "NEXT EVENT" for Thursday, January 14, 2021, and options for "Garbage", "Recycling", "View Collection Schedule", "Search the Waste Wizard", "Pay My Bill", and "Contact Us".

The Facebook profile header for Sweet Home Sanitation (@SweetHomeOregonSanitation) is visible, including a "Learn More" button and the website link sweethomesanitation.com. The navigation bar shows "Home", "About", "Photos", "Videos", and "More".

The "About" section features a map of the location at 1325 18th Ave Sweet Home, OR 97386. Below the map, the text states: "Our waste removal services include regular garbage pick-up, recycling, and several types of specialized containers and services. We strive to employ the latest equipment and handling methods for safe, and efficient removal of solid waste." It also shows that 100 people like this, including 2 of your friends.

A "PINNED POST" from Sweet Home Sanitation, dated February 11 at 9:59 AM, contains the following text: "Never miss a pick-up again! Download our WasteConnect mobile app to sign up for waste collection reminders and service alerts! Simply search 'WasteConnect' on Google Play or Apple App Store. <http://www.sweethomesanitation.com/>"

# Brownsville City Clean Up

- ▶ Scheduled for the first Saturday in April 2021 (April 3<sup>rd</sup> 2021)
- ▶ Similar Format to last year. Depot style.
- ▶ Prior years notice of event in paper

## **Brownsville Clean-up Day October 3rd, 2020**

Sweet Home Sanitation will be holding the annual Brownsville Clean-up day, Saturday October 3rd from 7:30am-3:00pm on Park Avenue between City Hall and the Rec Center. The event is for Brownsville residents only and proof of residence is required. Please bring drivers license or garbage bill for proof of residency.

Due to COVID-19 restrictions residents will need to sort and place their items into the appropriate bins. Sweet Home Sanitation staff will not be able to assist you due to these requirements. We apologize for any inconvenience this may cause!

### **Acceptable Items:**

- Old Lumber (smaller than 4 ft. length) must also be bundled, easy to handle
- Old appliances
- Scrap Metal
- Yard debris (smaller than 4ft.)
- Passenger & light truck tires (4 max per vehicle)
- E-Waste, computers, monitors, TV's

### **Unacceptable Items:**

- No household Garbage
- No loose trash
- No liquid waste, paint, or pesticides
- No large truck tires

Note: There will be no pick up of trash or recyclables that day, residents are reminded not to put out items on street, unless it is free to the public. \*\*\*NOTE to Seniors and others with physical disabilities: due to COVID-19 restrictions and company policy, Sweet Home Sanitation will not be able to pickup from your residence this year. Please make arrangements to have your items dropped off at the Rec Center. We are sorry for the inconvenience!

# Where does your Yard Debris go?

## ▶ Yard Debris Life Cycle

- Picked up by Sweet Home truck at curb
- Stockpiled at Sweet Home transfer station
- Hauled in bulk to Rexius (Coburg yard)
- Rexius grinds and screens material into 3 different qualities (fine compost, medium compost and “hog fuel”)
- They use this end product to mix with topsoil and other organic matter
