## A Vision for Brownsville

For a tiny rural Oregon community, Brownsville has a huge presence. It is well-known throughout the state for its friendly welcome and for being a safe, clean, and attractive town. It is clear that residents value its historic character and make special efforts to preserve and enhance it. Talk to business owners in the thriving north and south business areas and you will find that it is the creative working relationships between city government and private, county, state, and federal partners that sustain our economic health and well-being. Residents participate in Brownsville's inclusive process of growing and enhancing our high quality of life. Brownsville citizens care about healthy city finances, they expect infrastructure that delivers, and they elect a City Council that works for the benefit of the community. ## ***Who we are?***

Brownsville is a City that is proud of its past while constantly improving toward the future for the benefit of our citizens. We are a group of citizens that honor each other by carefully balancing the social contract (Brownsville Municipal Code) to keep peace and order. The Brownsville Municipal Code and Comprehensive Plan help define the role of the City. Organizational transparency is a focus of Council. Council is working closely with Staff, volunteers, civic organizations, appointed officials and the citizenry to execute identified goals and carry out the responsibilities of the City.

Brownsville has a tremendous sense of place and synergy between City Hall and our residents. Active citizens are the true strength of Brownsville as evidenced by the volunteers who give freely of themselves to provide many municipal functions and civic services. Many civic organizations implement their missions actively in our community which provides a quality of life and vibrancy that is uncommon. Community events are planned and designed to invite people into town to share what Brownsville has to offer.

Council recognizes that many civic organizations and the City government are working diligently on implementing organizational development concepts in order to more efficiently provide services. Council recognizes that we are in a transition period between an authoritative model and are collectively moving toward a new, participatory approach within the organization and throughout the community.

## ***What do we want for Brownsville?***

Brownsville should honor the past, maintain a healthy present and strive to assure a dynamic future by focusing on fundamental municipal services such as:
